

JOLIE Chenille

JOLIE chenille is our flame retardant, washable and versatile chenille fabric. Similar flowing and smart design can be found from our curtain fabric collection, and for upholstery we also offer JOLIE wool with high abrasion resistance.

JOLIE chenille suits well for example for bedcovers, and especially for cushions. There are 7 standard colors available, all of which can be used conversely. And in addition, JOLIE can be produced with same colors as KIVIKKO.

JOLIE is designed and produced in Finland.
